ABOUT ME

A creative, extremely organized graphic designer with more than 20 years of experience. Highly dependable with an attention to detail and a willingness to learn. Constantly striving for creative solutions to elevate the marketability of the organization, enhance the product line and ultimately boost sales.

EXPERIENCE

Bionix Development Corporation

Toledo, OH
(1999-Present)

I am currently the graphic designer for a medical device manufacturing corporation in Toledo, Ohio. As a member of the marketing team, I design a multitude of advertising materials for all corporate divisions. Sales have increased exponentially over the past 20+ years with significant expansion to the product line, market segments and our global presence.

Some of the projects I have completed include: packaging, direct mail, brochures, digital banner ads, booklets, publication ads, order forms, tradeshow graphics, wall graphics, sales sheets, cross promotional inserts, WordPress editing, PowerPoint presentations, pop display graphics, surveys, product instructions, editable PDF forms, labels, email design, video editing, flow chart design, writing/editing copy and more.
